

CUSTOMER TESTIMONIALS SEAVIEW, LAMLASH, ISLE OF ARRAN

Rachel was so helpful with the finer details, giving excellent advice on kitchen fittings, tiles and flooring. Altogether Armitage Groundworks provided a problem free experience and one that we would highly recommend.

From demolition to completion

If it wasn't for Armitage we'd still be looking at a crumbling wreck but thanks to Rachel and Struan we now have a delightful cottage loved by all. With Struan at the helm the planning and building was problem free and he and his terrific team did a sterling job.
